## Breakfast Club Stoppers After School Club

This week at Breakfast Club the children have enjoyed playing board games.

### Stoppers After School Club

This week at Stoppers the children have been enjoying a competitive game of chess.

The staff in Breakfast Club and Stoppers are really flexible and are happy to accommodate one off sessions and to work round shift patterns. Break Club costs £3.50 per sessions and Stoppers is £8.10 per session (increasing to £8.20 from September).

### Bubble Show

Ray Bubbles (@ParisBubblesFr) is coming back to school on Thursday to do his wonderful bubble show for children in Years 2 – 6. In the afternoon, every child will have the opportunity to go IN a bubble. If you would rather your child did NOT do this, please send your child's teacher a message on Class Dojo.

### School Uniform

At the recent Full Governing Body meeting on Tuesday, the governors decided to trial, for a term, the children coming into school in their PE kits on the days they have PE. This will mean that the children can come to school in plain BLACK track suit bottoms / joggers, leggings or shorts, a white T shirt and a navy school sweatshirt. Please do not send your child in branded tracksuits and, ideally, trainers should be black or white. In order to try and marry things up on non PE days, preferably the children will wear black trousers, tailored shorts or skirts. We are phasing out the blue polo shirts and aiming for white. Details of when your child has PE will be in the PIMs video which will be uploaded to the school website before the end of term.

### Backpacks

From September we are asking parents not to send children into school with big bags and rucksacks. Not only do we not have the room, these are not needed. It is much easier for the teacher if the children have book bags to keep in their trays (this makes changing books much quicker and simpler) and then lunch boxes, coats and waterproofs are kept in lockers. There is no need for anything else to be brought into school.

### School Times

The governors are in the process of setting up a consultation with parents regarding the timing of the end of the school day. Covid guidelines permitting, we are hoping to stay without staggered start from 8.45am – 8.55am each morning where the children go straight into class instead of lining up but setting hometime at 3.20pm for all children. We truly hope we are able to welcome back onto our playground too in the new school year.

### And finally .....

Believe you can and you are half way there.

## Early Learners Pre-School

## Online Safety Tip –You Tube

YouTube has a [Child Safety page](#) which gives parents and carers more information on what they're doing to try and keep kids safe on the site.

You can enable 'Restricted Mode' on an account to help block out content kids might find upsetting. Some of the content on YouTube is age-restricted and can't be watched by anyone below the age of 18. Parents of younger children might want to explore [YouTube Kids](#).
