

Lancy Lane Euros – Year 4

18th June 2021

Punctuality

Lessons begin at gam; please be on time at 5 to 9.

Lancy Lane Euros

Well done to Y4 who set the bar high with their skill, sportsmanship and enjoyment with the Lancy Lane Euros. Well done to the Beavers who were the winners after a tense and exciting final against the Dolphins. Next week it is Year 3's turn.

Birthdays

The School Council decided earlier in the year that when it is your child's birthday, they are allowed to come in non-uniform.

We are here for you in school if you need anything. Please phone us even if it is just for a friendly chat.

Breakfast Club Stoppers After School Club

This week at Breakfast Club the children have enjoyed talking tactics with Mr Johnson for the forthcoming Lancy Lane Euros.

Stoppers After School Club

This week at Stoppers the children have been making Father's Day cards.

The staff in Breakfast Club and Stoppers can work around one off sessions and shift patterns. If you require a place at either club or if you require a one off session we require payment on the day please.

Running Track

Following on from the ParentMail sent yesterday, the grand opening of the running track to the local community will commence once the security posts securing the outdoor gym equipment is re-set.

Uniform

Please make sure your child's name is in all items of your child's clothing.

And finally

It always seems impossible until it is done.

Early Learners Pre-School

Outside Achievements

Aliyah in Y2 received a medal for litter picking and was awarded the title of Green Queen, Isobel in Y4 was Man of the Match at her football match for Brinscall Girls and Jacob in Y6 was awarded Man of the Match and a medal for excellent defending.

Well done to you all.

Online Safety Tip – TikTok

Advice for Parents & Carers

- TALK ABOUT ONLINE CONTENT**
Assuming your child is above TikTok's age limit, talk to them about what they've viewed on the app. Ask their opinion on what's appropriate and what isn't. Explain why they shouldn't give out personal details or upload videos which reveal information like their school or home address. In the long run, teaching them to think critically about what they see on TikTok could help them to become social-media savvy.
- MAINTAIN PRIVACY SETTINGS**
In early 2021, TikTok changed the default setting for all under 16s' accounts to 'private'. Keeping it that way is the safest solution: it means only users who your child approves can watch their videos. The 'Stitch' (which lets users splice clips from other people's videos into their own) and 'Duet' (where you build on another user's content by recording your own video alongside their original) features are now only available to over 16s. This might clash with your child's ambitions of social media stardom, but it will fortify their account against predators.
- LEARN ABOUT REPORTING AND BLOCKING**
With the correct privacy settings applied, TikTok is a relatively safe space. However, in case something does slip through, make sure your child knows how to recognise and report inappropriate content and get them to come to you about anything upsetting that they've seen. TikTok allows users to report anyone breaching its guidelines, while you can also block individual users through their profile.
- ENABLE FAMILY SAFETY MODE**
'Family Safety Mode' lets parents and carers link their own TikTok account to their child's. Through your mobile, you can control your child's safety settings remotely – including limiting screen time, managing their ability to exchange messages (and with whom) and blocking a lot of age-inappropriate content. TikTok refreshed its Safety Centre in May 2021, providing new resources for parents and carers to support online safety among families. These resources can be found on their website.
- USE RESTRICTED MODE**
In the app's 'Digital Wellbeing' section, you can filter out inappropriate content (specific content creators or hashtags, for instance) using 'Restricted Mode'. This can then be locked with a PIN. You should note, though, that the algorithm moderating content isn't totally dependable – so it's wise to stay aware of what your child is watching.
- MODERATE SCREEN TIME**
As entertaining as TikTok is, you can help your child to manage their time on it in the 'Digital Wellbeing' section. Under 'Screen Time Management', you can limit the daily permitted time on the app (in increments ranging from 40 minutes to two hours). This preference can also be locked behind a PIN. That way, your child can get their regular dose of TikTok without wasting the whole day.
