Stoppers After School Club

This week at Stoppers the children have been making Super Hero masks for Book Week.

The staff in Breakfast Club and Stoppers can work around one off sessions and shift patterns if you require a place at either club.

Positive Covid 19 Tests

With the easing of the lockdown, it is imperative that we continue to track and trace any child or adult in school who has symptoms of Covid 19 (high temperature, a new or continuous cough and / or loss of taste and smell). If your child is showing any of the above symptoms you must take them for a PCR Covid tests and if the result is positive you must then email Mrs Geldard on head@lancasterlane.lancs.sch.uk so that we can ascertain whether the rest of the class will also need to self isolate.

School Uniform

If you have any good quality nearly new school uniform that your child has grown out of which would do another child a turn, please send this into school for our nearly new rail. There are items on the rail which parents can choose from for a small donation to school funds.

Each class has a pile of lost school uniform which we can't return to its rightful owners because they do not have names in. Please write your child's name in all items of school clothing.

Early Learners

There is a limited number of spaces in our Early Learners pre-school from September. If you have, or know of, a two, three or four year old who would like a space please email Mrs Gold (Early Learners' manager) on d.gold@lancasterlane.lancs.sch.uk for further information. There are appointment led introduction sessions taking place in Early Learners on Tuesday, 8th June for interested families.

Forget the mistake. Remember the lesson.
