Covid-19

You will no doubt be aware that the rules regarding self-isolation if you test positive for Covid-19 changed in England last week. If a child has any of the main symptoms or a positive test result, the public health advice remains unchanged and is to stay at home and avoid contact with other people. Anyone with any of the main COVID-19 symptoms should order a test and is advised to stay at home while waiting for the result. If they test positive, they are advised to follow public health advice.

We are still awaiting advice from the local Public Health Team and will therefore deal with each case on an individual basis. Please phone school and speak to Mrs Geldard or Mrs Hankin if your child or a member of your household tests positive for covid.

Please remember that PE uniform is plain trainers, black bottoms, a white t shirt and a navy sweatshirt – no hoodies please.

Ukraine

You will no doubt be aware of the tragic situation in Ukraine. In school we have decided to talk about this with the children on a class basis so that the teacher is best placed to pitch it appropriately for their class and answer any questions and address any worries they may have.

Congratulations to Miss Marsden who gained her Level 4 TA (advanced practitioner) qualification this week after successfully completing a year's study in her own time to help improve her knowledge to support the children in school. Congratulations from us all.
