

## Online Safety

### 3. Avoid sharing passwords with others.

This might sound like obvious advice, but it's crucial that you don't share your passwords with anyone – not even friends or family members. Remember that customer service teams will never ask you to share your full password online or over the phone. So be wary of calls or emails from banks and businesses asking you to share your password.

## Book Week

We are working on the details of our annual Book Week which is to be held in school week beginning 23rd May. The theme for this year is reading through the decades to coincide with the Queen's Platinum Jubilee, which we will be celebrating as part of Book Week. Each class will be focusing on a different decade. The children can come to school wearing red, white and blue on the Friday as we celebrate the Queen's Platinum Jubilee as part of our Book Week with a street party on the playground.

## End of year visits

We are very aware of the impact that the cost of living crisis is having on all families. As a result, with the exception of Year 6, we have decided not to go ahead with educational visits this term as the coach prices are making these very expensive. Each class will either have a visit to somewhere within our lovely local area or have an enrichment day within the school grounds.

## International Aid

Mrs Parkin and the School Council have organised a collection of essential items for the Ukraine Emergency Appeal. There are posters around school explaining which food, medical supplies and toiletries are needed. If you wish to donate please can the goods be taken to call and not the school office.

## Stoppers/Breakfast Club

It's so easy to book online for a place at Breakfast Club and / or Stoppers. The children have the opportunity to have lots of fun giving you peace of mind that they are being well looked after. Prices are £3.50 for Breakfast Club and £8.20 for Stoppers.

**And finally....** Don't stress. Do your best. Forget the rest.
