

The Fire Brigade visited school this week.

Toast Money

After the half term break, toast will need to be ordered for the entire week (£1) and paid on the Monday morning. This is to ensure we are maximising on lesson time and staff are not wasting precious minutes finding change, storing change etc. Children must bring in £1 as no change will be given. We thank you for your support with this.

Positive Covid Case

There has been a child in school confirmed as having Covid 19. If your child is showing any of the following three symptoms: 1. High temperature 2. A new and continuous cough 3. Loss of taste and smell, they must be taken for a PCR test (not a lateral flow). If a member of your household tests positive for Covid 19 the remaining members of the household should go for a PCR test even if they are not showing symptoms. As long as your child isn't showing symptoms, they can return to school whilst you await the results.

Parents' Evening Appointments

Parents' Meetings will be held next week. Please make sure you only keep your teacher for ten minutes so that they are able to be on time for all other parents. If you have a morning slots on Wednesday, Mrs Geldard will direct you where to wait. For the after school slots, please wait in the hall where chairs will be set up socially distanced. Your teacher will come to the hall to collect you at your appointment time. Refreshments will be available. Although masks are optional, we would appreciate parents wearing them especially when waiting with other parents.

Head Lice

School has been informed of a few cases of headlice being found in children's hair. Please can **ALL** families check and treat if necessary their children's hair this weekend?

*We are here for you in school if you need anything.
Please phone us even if it is just for a friendly chat.*
