

# My Phase 2 Sound Mat

*Your child should practise reading and writing these sounds so they can recall them easily when reading and spelling them in whole words.*

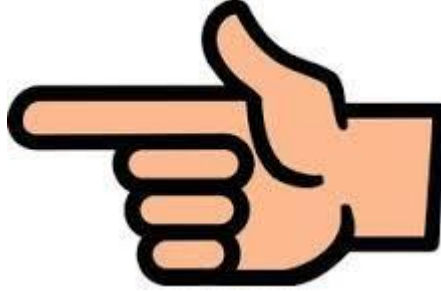

## Ideas for Using the Sound Mat...

Can you spot the grapheme, e.g. 't'?

How quickly can you find the grapheme, e.g. 'ck'?

Point to a grapheme, e.g. 'm,' and ask what sound it makes.

Can you think of a word that contains that sound?

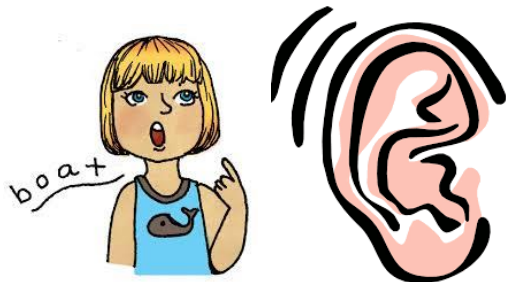

E.g. 'cat' contains 'a'  
'fog' contains the sound 'f'  
'bag' contains the sound 'g'

Say a word with one of the sounds in, e.g. sun.

What sounds can you hear?

s \_ and u \_ and a \_

Show a word containing one of the graphemes, e.g. miss. Can you read it?

Say a word containing one of the graphemes, e.g. zip

Can you write it down?

(Using the sound mat if you need it)
