Year 5 - The Mayans

RESEARCH/ DESIGN

Research the Mayan calendar. Create your own calendar in this style and explain how it works.

Make it out of any materials you wish and remember to bring it into school to show it to our class.

MAKE

Temples were important buildings to the Mayans. Research what they looked like and how they were built.

Then, make your own model temple!

CREATE

Design and create your own Mayan headdress.

Write about the different features of your design and what it would have been worn for.

Eat

The Mayans were great farmers and enjoyed eating tortillas filled with cooked vegetables.

Design your own Mayan tortilla recipe. Ask someone at home if you can make it. Remember to take a photo to bring in and show us.

WRITE

Write your own Mayan style myth.

Search online for some Mayan stories such as, *Gift to the Hummingbird*, *The Creation Myth* or *How the King of Birds was Chosen*, to gather ideas for your story.

RESEARCH & MAKE

Discover about the Mayan warriors using safe websites.

Use some images that you see to draw and label a picture of a Mayan warrior. Use materials to make a 3D model of a Mayan weapon or item of clothing.
