Technical Support

- Mathletics app available – not all activities accessible via this
- Best user experience via computer/laptop

The screenshot shows the Mathletics website interface. At the top, there is a navigation bar with the Mathletics logo and links for 'About', 'Case Studies', 'Explore for free', 'Parents Buy Now', 'Help', and a 'SIGN IN HERE' button. Below the navigation bar, a search bar is visible. The main content area features a large banner with the text: 'New to Mathletics or need a refresher? We're here to help.' followed by a paragraph: 'However you use Mathletics, we're here to make sure you get the most from the resource in your classroom. Looking to get started with Mathletics? Want to assign some activities to your students, view results, or create some learning groups? Easy. You'll be an expert in no time.' Below this banner is a button that says '+ CLICK TO BROWSE THE SELECTION OF HELP TOPICS AVAILABLE'. On the right side, a help menu is open, listing several options: 'Mathletics Help', 'Teacher Webinars', 'Mathletics FAQs', 'Getting started: Your first week with Mathletics', 'Get ready for the new school year', 'Download a letter for parents', 'Tech Support' (which is highlighted in blue), 'Contact Us', 'Learn more about tools for Administrators', and 'Parents Learn about using Mathletics at home' (which includes a house icon).

Lock Screen

- Children must complete tasks set by the teacher before accessing the 'free-choice' areas. They will find the 'lock screen.'

This means that your child has completed the homework tasks set by their teacher – they do not need to see their teacher! They are free to play in the other areas if they wish to.
