

Welcome Back

Welcome Back

I speak on behalf of every member of staff when I say we are delighted to have the school fully open again and to go back to some resemblance to 'normality.' As the term progresses, there will no doubt be tweaks to our policies. The co-operation and support you as parents have given us has been amazing and we truly are very appreciative as this has made everything run all the more smoothly. We have opened up the gate on the field by the park for morning and after school pick ups. We will review whether this will continue at the end of next week. However, we do ask that any child who develops the coronavirus symptoms of a new, continuous cough OR a temperature over 37.8 degrees Celsius remains at home for seven days. If you are in any doubt as to what to do please phone 111 or use the NHS online 111 service: <https://111.nhs.uk/covid-19>.

Baby News

Congratulations to Jessica in Y3 and her family on the birth of baby Oliver. Kaiiyah, Tiamii and Maiya also welcomed baby sister Daisy over Lockdown too. Welcome to the world little ones.

Tables and Chairs

We have a number of tables, chairs and other classroom furniture that is free to a good home. If you are interested, please phone the school office on 01772 433641 for information on how to collect them.

Twitter

If you use Twitter, please follow us on Twitter (@lancylane.)

After School Clubs

Mr Johnson will be sending home the clubs that your children can sign up to next week. Because of government guidelines, we have had to restrict the number of clubs we can offer and teachers can only run clubs for the bubble they work in. If they are absent from school or on a course another teacher isn't able to run the club for them. As Stoppers is taking place in the hall, should it be raining heavily then clubs will have to be cancelled.

Welcome

Mr Metcalfe has joined us as our new Year 6 teacher and Key Stage Two leader. Current restrictions has made it more difficult for him to get out and about on the school playground to say hello to you but I am sure it won't take him long to get to know you all. Ms Marcini has also joined us in Year 3 as a Teaching Assistant and a Welfare Assistant. We also welcomed Kendal to Y1, Aiva to Y2 and Jack and Oliver to Y3. I am sure it won't be long until they all feel like Lancy Laners.

Parent Information Packs

As Parent Information Meetings (PIMs) aren't able to take place this term, the teachers have produced Parent Information Packs detailing class specific information. These will be uploaded to the class page of the website by the start of next week and also sent home by ParentMail.

Parents' Meetings

For parents of children in Years 1 – 6, the booking system for Parents' Meetings next week is now live. The weather forecast is due to be fine as we are cordially asking parents to wait outside the classroom external door to see the teacher. Please be mindful of social distancing if other parents are also waiting.

Jeans for Genes

We will be taking part in Jeans for Genes Day on Friday, 18th September. For a small donation, children may come to school in jeans next Friday.

Early Learners

If you have a child in Early Learners and an elder sibling in school, please aim to drop the older child off nearer gam so that the amount of time you have to wait in the soft play area is reduced. Thank you.

Early Learners Pre-School

The Early Learners children have enjoyed making new friends this week.

Special Mentions will return next week.

Online Safety Tip Website of the Week

It is a very lovely moment to see your child in their school uniform on the first day of the school year.

Please be mindful of sharing this too widely on social media as displaying the school logo alongside your child's photograph and name can inadvertently give out a lot of personal information.

Outside Achievements

James HC Y5 and Lister Y2 both gained trophies for the commitment to Kick Boxing during the lockdown period, completing all their online tasks. Well done to both of you.
