

Designing a building their own cars in Y2

27th November 2020

Year 4

As you will be aware, Y4 are learning from home until Tuesday, 15th December as they are having to isolate.

Thank you to the children, their parents and to Miss Haywood and Mrs Tickle for being our "guinea pigs" as we put our plans for Home Learning via Teams into practice. We are incredibly proud of you all. Any feedback from children or parents (good or bad) will be welcome.

Taz

A local and popular children's entertainer, Taz, will be entertaining each class as a start of our Christmas celebrations. We are trying to re-arrange Y4's slot but if Taz is unable to do so, Y4 will have a New Year Party in January instead.

Covid 19 Risk Assessment

Changes To Our Risk Assessment - No additional changes from the ParentMail sent.

Christmas Jumper Day

For a £1 donation to St Catherine's Hospice, children and adults may come to school in their Christmas jumpers next week. School uniform does not have to be worn. We are happy to help 'Christmas up' any jumpers if your child does not have a Christmas jumper: please let your child's teacher know via Class Dojo. Y4 will have their Christmas Jumper Day in the last week of term (day to be confirmed).

Christmas Activities

The Christmas activities newsletter is attached again for your information.

Christmas Cards

The last day children should bring in Christmas cards for their friends is Tuesday, 15th December. This will allow for the seventy-two hour quarantine period before they are given out.

Gift Day

Blue PTA envelopes will be sent home on Monday. If your child wishes to buy a gift, they will need to bring in £1 in this blue envelope on **Friday**.

Christmas Colouring Competition

The PTA has organised a colouring competition, with some special prizes which is open to all classes. From Monday your child can collect a colouring sheet from their teacher.

The cost of entering will be 20p and all entries should be in by Thursday 17th December.

Early Learners Pre-School

Fun with Autumn leaves in Early Learners

Outside Achievements

Sisters Millie (Y3) and Kendal (Y1) saved their pocked money up and bought everyday goods to sell to raise money for the Foxtan Centre in Preston who work with homelessness and Noah in Rec received a trophy for good kick-boxing.

Well done to all of you.

Online Safety Tip - TikTok

Parents can manage access to TikTok and other apps rated 12+ through settings in the devices.

TikTok does have a safety centre for parents. There, the network explains how to use private account settings and how to use its Family Pairing feature, which allows parents to get more involved with their teen's use of the social network. **Family Pairing** enables screen time management for TikTok and direct messaging restrictions. It also has Restricted Mode, which can restrict the appearance of inappropriate content on your teen's account.

How to set up Family Pairing:

Go to your device's app store, search for TikTok and install the app. Make sure your TikTok and your teen's TikTok account are logged in. On both devices, head to Settings, then Digital Wellbeing to choose the Family Pairing process. You'll have to scan a QR code on your teen's device to pair the accounts.

Special Mentions this week.

Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Aaron	Eleanor	Louie	Sienna	Olivia	James	Shaya
