Parent Forum

A big thank you for those who attended the parent forum last Tuesday - it is a great opportunity for us to hear your ideas and views. As usual, it was a positive and constructive meeting.

Recent actions taken from parent feedback:

- Following on from the parental questionnaire in the summer, school have launched the new online homework system this term;
- Future Parent Information Meetings will take place on a different day for each class to accommodate families with siblings;
- A follow up survey to find out which time of the school day parents/carers would prefer child performances so we can plan a system which meets the needs of the majority.

For full minutes, please visit the 'Parent' section of our school website.

Please contact Mrs Gray

(k.gray@lancasterlane.lancs.sch.uk) if there are topics you would like discussed in future meetings.
