Pupil Parliament

Thank you to Hannah and Lewis in year 5 who are doing a great job of representing our school in the Pupil Parliament. Along with the six other schools in our cluster, Hannah and Lewis have been working hard to arrange a picnic at Cuerden Valley in June for the year 5 and 6 children, in order to raise money for the RSPCA. More details will be sent out in June. Also look out for the brilliant newsletter compiled by the children, explaining what the Pupil Parliament is all about.

Year 4 Assembly

Year 4 will be holding their class assembly on Friday, 19th May at 9.10am.

Outside Achievements

Joshua in Year 4 designed and painted a plate, while his brother James in Year 1 made a bubbling volcano with boulders and grass!

Very creative of you both.

Oliver in Year 5 danced his way to two trophies in Modern and Traditional Dance. He also swam a mile to receive his Silver Swimming Challenge.

Year 2 learning about habitats

Clayton & Whittle Pupil Parliament

Year 5 learning about astronomy.

Wanted

Reception are aiming to build a water wall (similar to the picture right) together with the children, as part of their construction topic. If you have any items that may be of use to help them build this e.g. plastic bottles, containers, pipes, tubes, jugs etc they would really appreciate them. We will post a picture of their finished product. Thank you.

Early Learners Pre-School

All 3 & 4 year olds are entitled to 15 hours free childcare per week (up to a maximum of 570 hours per year).

From September 2017 some families will be able to access an additional 15 hours free childcare per week if both parents are working or the sole parent is working in a lone parent family.

Early Learners, from September, will be offering qualifying families 30 hours free childcare. The new times and sessions will be 7.45am – 5.45pm. Please see Mrs Gold if you require any further information.

This week the children at Early Learners have been making fruit kebabs and learning about healthy eating.
