

Coronavirus

Following the letter sent home earlier this week, school is continuing to follow government advice and you will know from the news yesterday that the UK government has advised that schools do not close down. Should any information change, parents will of course, be kept up-to-date. However, we do ask that any child who develops the coronavirus symptoms of a new, continuous cough OR a temperature over 37.8 degrees Celsius remains at home for seven days. If you are in any doubt as to what to do please phone 111 or use the NHS online 111 service: <https://111.nhs.uk/covid-19>.
