Educational Visits

Year 6 had a fun-filled day at Blackpool Pleasure Beach, full of smiles and laughter – it was a lovely way to make some final memories from primary school.

Year 4 and 5 enjoyed their trip to MOSI in Manchester and represented our school so well with their exemplary behaviour and manners. An extra special mention to Joshua in Year 4 who kindly, without prompting, offered his seat to an elderly gentleman during their train journey.

Year 6 trip to Blackpool

And fun and exhausting day

Toy Day

Children can bring in toys for the last day of term - no electrical items, please.

We break up for the summer holidays at 2pm on Friday. There will be a *Guard of Honour* for the Mrs Bullen and the Year 6s at the end of the day, before all children are brought onto the playground to be dismissed. Reception children will return to their classroom to be dismissed from their door as normal.

Early Learners Pre-School

From September, Early Learners is able to offer the thirty hours free childcare for eligible families for children aged 3+. Please speak to Debbie Gold for more information.

Following on from the My Dentist Bus visit, the children have been talking about food that will keep our teeth healthy. They have made healthy lunch boxes.

Online Safety Tip of the Week

With the holidays coming up, many children will want to spend an increasing amount of time online and on computer games – take charge and set out clear screen time rules from the beginning. Many devices have built in parental controls as well as timer apps which can be downloaded to help with this routine. Encourage your child to play, socialise, go outdoors and be active in-between spending time on devices.
