Covid 19 Risk Assessment

Changes To Our Risk Assessment - No additional changes from the ParentMail sent last week.

PTA Gift Day

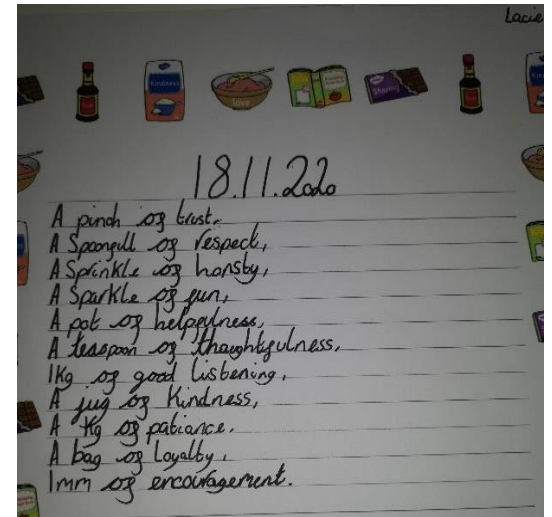

On FRIDAY 11TH DECEMBER the PTA will be holding their annual gift day. The children will have the opportunity to 'Christmas shop' for a present for someone special. Presents costing £1 will be on display for the children to choose from. The presents will be gift wrapped over the weekend ready for them to take home the following week. We will be sending home BLUE money envelopes week beginning 7th December. If your child would like to take part in this activity please send £1 in the blue envelope **on the day** (FRIDAY 11TH DECEMBER) clearly marked with your child's name. To enable this to happen we need donations of any new and unused items (e.g. gift sets, jewellery, smellies, unopened chocolate boxes, cute ornaments) that would be suitable for a child to buy an adult. If you have any of these items they would be greatly appreciated. Please drop off at the school office entrance in the marked box.

Christmas

A Parentmail will be sent out next week detailing the events and activities that will be taking place in school during December as we look forward to Christmas.

Welcome

On Monday we welcome Miss Rebecca Drinkwater to Year 5 who will be working under Mr Wood's close supervision in Y5 as part of her teacher training.

Early Learners Pre-School

This week we have been drawing round shapes in the environment.

Outside Achievements

If your child achieves anything away from school please bring it into school so they can share with their class and we can share it with everyone.

Online Safety Tip

Rocket League is a fantastical sport-based video game (it's "football with cars"). Players work to advance the ball down the field, and score goals in their opponents' net.
