Jeans for Genes

Thank you to everyone who supported Jeans for Genes day. Together with Early Learners, we raised £250. Thank you for your generosity.

Drop Off Time

The gate by the field will be opened again from Monday. I am asking again for parents to be mindful that our staggered drop off time starts at 8.45am and not to arrive at school before then. If there is a bit of a queue to enter school, please remember to maintain a 2m social distance from other parents. Likewise, afternoon pick up starts from 3.15pm. Parents should not arrive at school before this time. For the safety of everywhere, we ask parents to kindly respect this.

You may recall that last year we collected milk bottle tops for a Parkinson's charity. These have been sent off now (all 1,906 of them) and we received a lovely letter from the organisers thanking Lancaster Lane for their efforts.

Moving House Boxes

If anyone has any large boxes that could be used by one of our parents when she moves house, please could they kindly drop them off at the school office. Thank you.

Covid 19 risk Assessment

As mentioned previously, our Risk Assessment for dealing with Covid-19 is dynamic and the procedures we have put into place will need to be tweaked as time goes on. For major changes, I will send a separate ParentMail. Otherwise I will make Changes To Our Risk Assessment a regular item in the weekly newsletter.

Well done to you all.

Online Safety Tip

internetmatters.org has put together 5 'top tips' for parents to keep their children safe when they are online. Tip one:

1. Discuss potential risks online

Have an open and honest conversation with your child about the normal risks of the online world – children may have become slightly skewed when it comes to what's acceptable to send or say online versus face to face following this surreal and challenging period for us all.
