

## Summer Fair

The Summer Fair is to be held tonight, 28th June from 5.00pm – 6.30pm.

Please come along and support the PTA in raising money for our children. Recently, the PTA has paid for Mr Yipadee's visit, made a huge contribution to Music Week and bought the story telling chair and stools. Thank you to the PTA membership for all their hard work behind the scenes getting everything ready for the fair. You truly are unsung heroes.

## Staffing News

At the end of this term we will be saying good-bye to Miss Burke as she is leaving Lancaster Lane to start an exciting new family business. Miss Burke has worked in Lancaster Lane School for eight years and her natural aptitude with the children and willingness to go the extra mile for both her class and colleagues will be sorely missed. I am sure you will join with me in wishing her every happiness and success for the future.

## Move-Up Day

Next Friday (5th July), when many of our Y6s go to their secondary school for a 'taster day', we traditionally have Move Up Day in school. Your child will spend the day with their new teacher and TA in their new classrooms. The children will line up in their usual place in the playground in the morning.

## Sporting News

Congratulations to the Cricket Team who won first place in their tournament on Monday. They are Chorley Champions and as a result will represent this area in the cricket finals. Good luck to them on Thursday. Y5 will be playing a friendly football match against Roe Lee School in Blackburn on Thursday. Some children represented Lancaster Lane today in a Sports Festival, as always they did us proud with their manners and attitude.

## After School Clubs

Mr Johnson's clubs on Monday, Tuesday and Thursday night next week are cancelled. ParentMails have been sent.

## Outside Achievements

Jack in Y4 and Sam in Y5 obtained their Red Belt at Kickboxing, Beth in Y4 attended a gymnastics competition and came 3<sup>rd</sup> in vault, Tilly in Y4 received a participation medal for a recent golf competition and also reduced her handicap to 50, April in Y3 ran 5K in a Race for Life and entered a story competition at Morrisons and Lister in Reception received a certificate at Kickboxing. Well done to all of you.

## Online Safety Tip

**Be a Selective Sharer.** These days, there are a lot of opportunities to share our personal information online. Just be cautious about what you share, particularly when it comes to your identity information. This can potentially be used to impersonate you, or guess your passwords and logins.

**Boost Your Network Security.** Now that your logins are safer, make sure that your connections are secure. When at home or work, you probably use a password-protected router that encrypts your data. But, when you're on the road, you might be tempted to use free, public Wi-Fi. The problem with public Wi-Fi is that it is often unsecured. This means it's relatively easy for a hacker to access your device or information. That's why you should consider investing in a [Virtual Private Network \(VPN\)](#). A VPN is a piece of software that creates a secure connection over the internet, so you can safely connect from anywhere.

**Protect Your Mobile Life.** Our mobile devices can be just as vulnerable to online threats as our laptops. In fact, mobile devices face new risks, such as risky apps and dangerous links sent by text message. Be careful where you click, don't respond to messages from strangers, and only download apps from official app stores after reading other users' reviews first.
